Design your own monster...

Available for children under 12

Seven little monsters have come out to play,
They're hiding around in their own sneaky way!

Damo is the boss, keeping watch over the crew,
But where could he be? Can you spot him too?

Donna got buried, what a silly thing!
Look for him hiding where the dirt might cling.

Stevo climbed up, but now he can't get down,
Look high in the branches and search all around.

Little Daniella, a munchkin so small,
Could be hiding somewhere... can you find her at all?

Dave has turned yellow, as bright as the sun,
He's hiding in the leaves and having so much fun!

Mitch is trapped, where you'd least expect,
Look in the picture frame, go on, inspect!?

And Tim needs your help, he's waiting for you,
He's hiding without colour, so what will you do?

Seven monsters are hiding, so off you go,
Can you find them all before it's time to go?

CAN YOU FIND ALL OUR MONSTER FRIENDS?
